Mimaki Appoints Kazuaki Ikeda as Its New President

Mr. Ikeda to lead the Company, succeeding Hisayuki Kobayashi.

At the Board of Directors meeting held on February 17, 2016, Mimaki decided to reshuffle its representative directors, as indicated below.

1. Reason for the change

The reshuffle is intended to establish a management structure that can adapt more flexibly and swiftly, heading for new stages of growth, by putting in place a young top executive with expert knowledge of product markets and global competition.

2. Summary

New title	Name	Current title
President	Kazuaki Ikeda	Managing Director (as of February 17, 2016)
Director	Hisayuki Kobayashi	President

3. Expected date of assumption of the position

April 1, 2016

About Mimaki

Mimaki is a leading manufacturer of wide-format inkjet printers and cutting machines for the sign/graphics, industrial and textile/apparel markets. Mimaki develops the complete product range for each group: hardware, software and related consumable items such as inks and cutting blades. Mimaki excels in offering innovative, high-quality and highly reliable products, based on its aqueous, solvent and UV-curable inkjet technology. To meet a wide range of applications in the market, Mimaki pursues the development of advanced on-demand digital printing solutions. Mimaki Engineering Co., Ltd. (President: Hisayuki Kobayashi) Nagano (Japan), is publicly listed on the Tokyo Stock Exchange First Section.
